

Well made, with classic design, Mundial Steak Knives lends an attractive presentation to your table setting while slicing cleanly through chops, ribs, and thick-cut steaks. The Polyacetal handle has triple-rivets to the knife's tang and fits the hand ergonomically for a secure grip. The blade of high-carbon stainless steel ensures greater durability and the highest edge retention under the most demanding conditions. Mundial's renowned 5100 Series fully forged steak knife, includes many features of professional-grade knives, including a durable full-tang construction and bolster for comfort and safe handling. Designed with a wide, strong, well balanced blade it offers a precise, long-lasting, razor-sharp edge.
